

Trangleball Set-up

The Trangleball kit includes:

The Trangle (the pyramid)

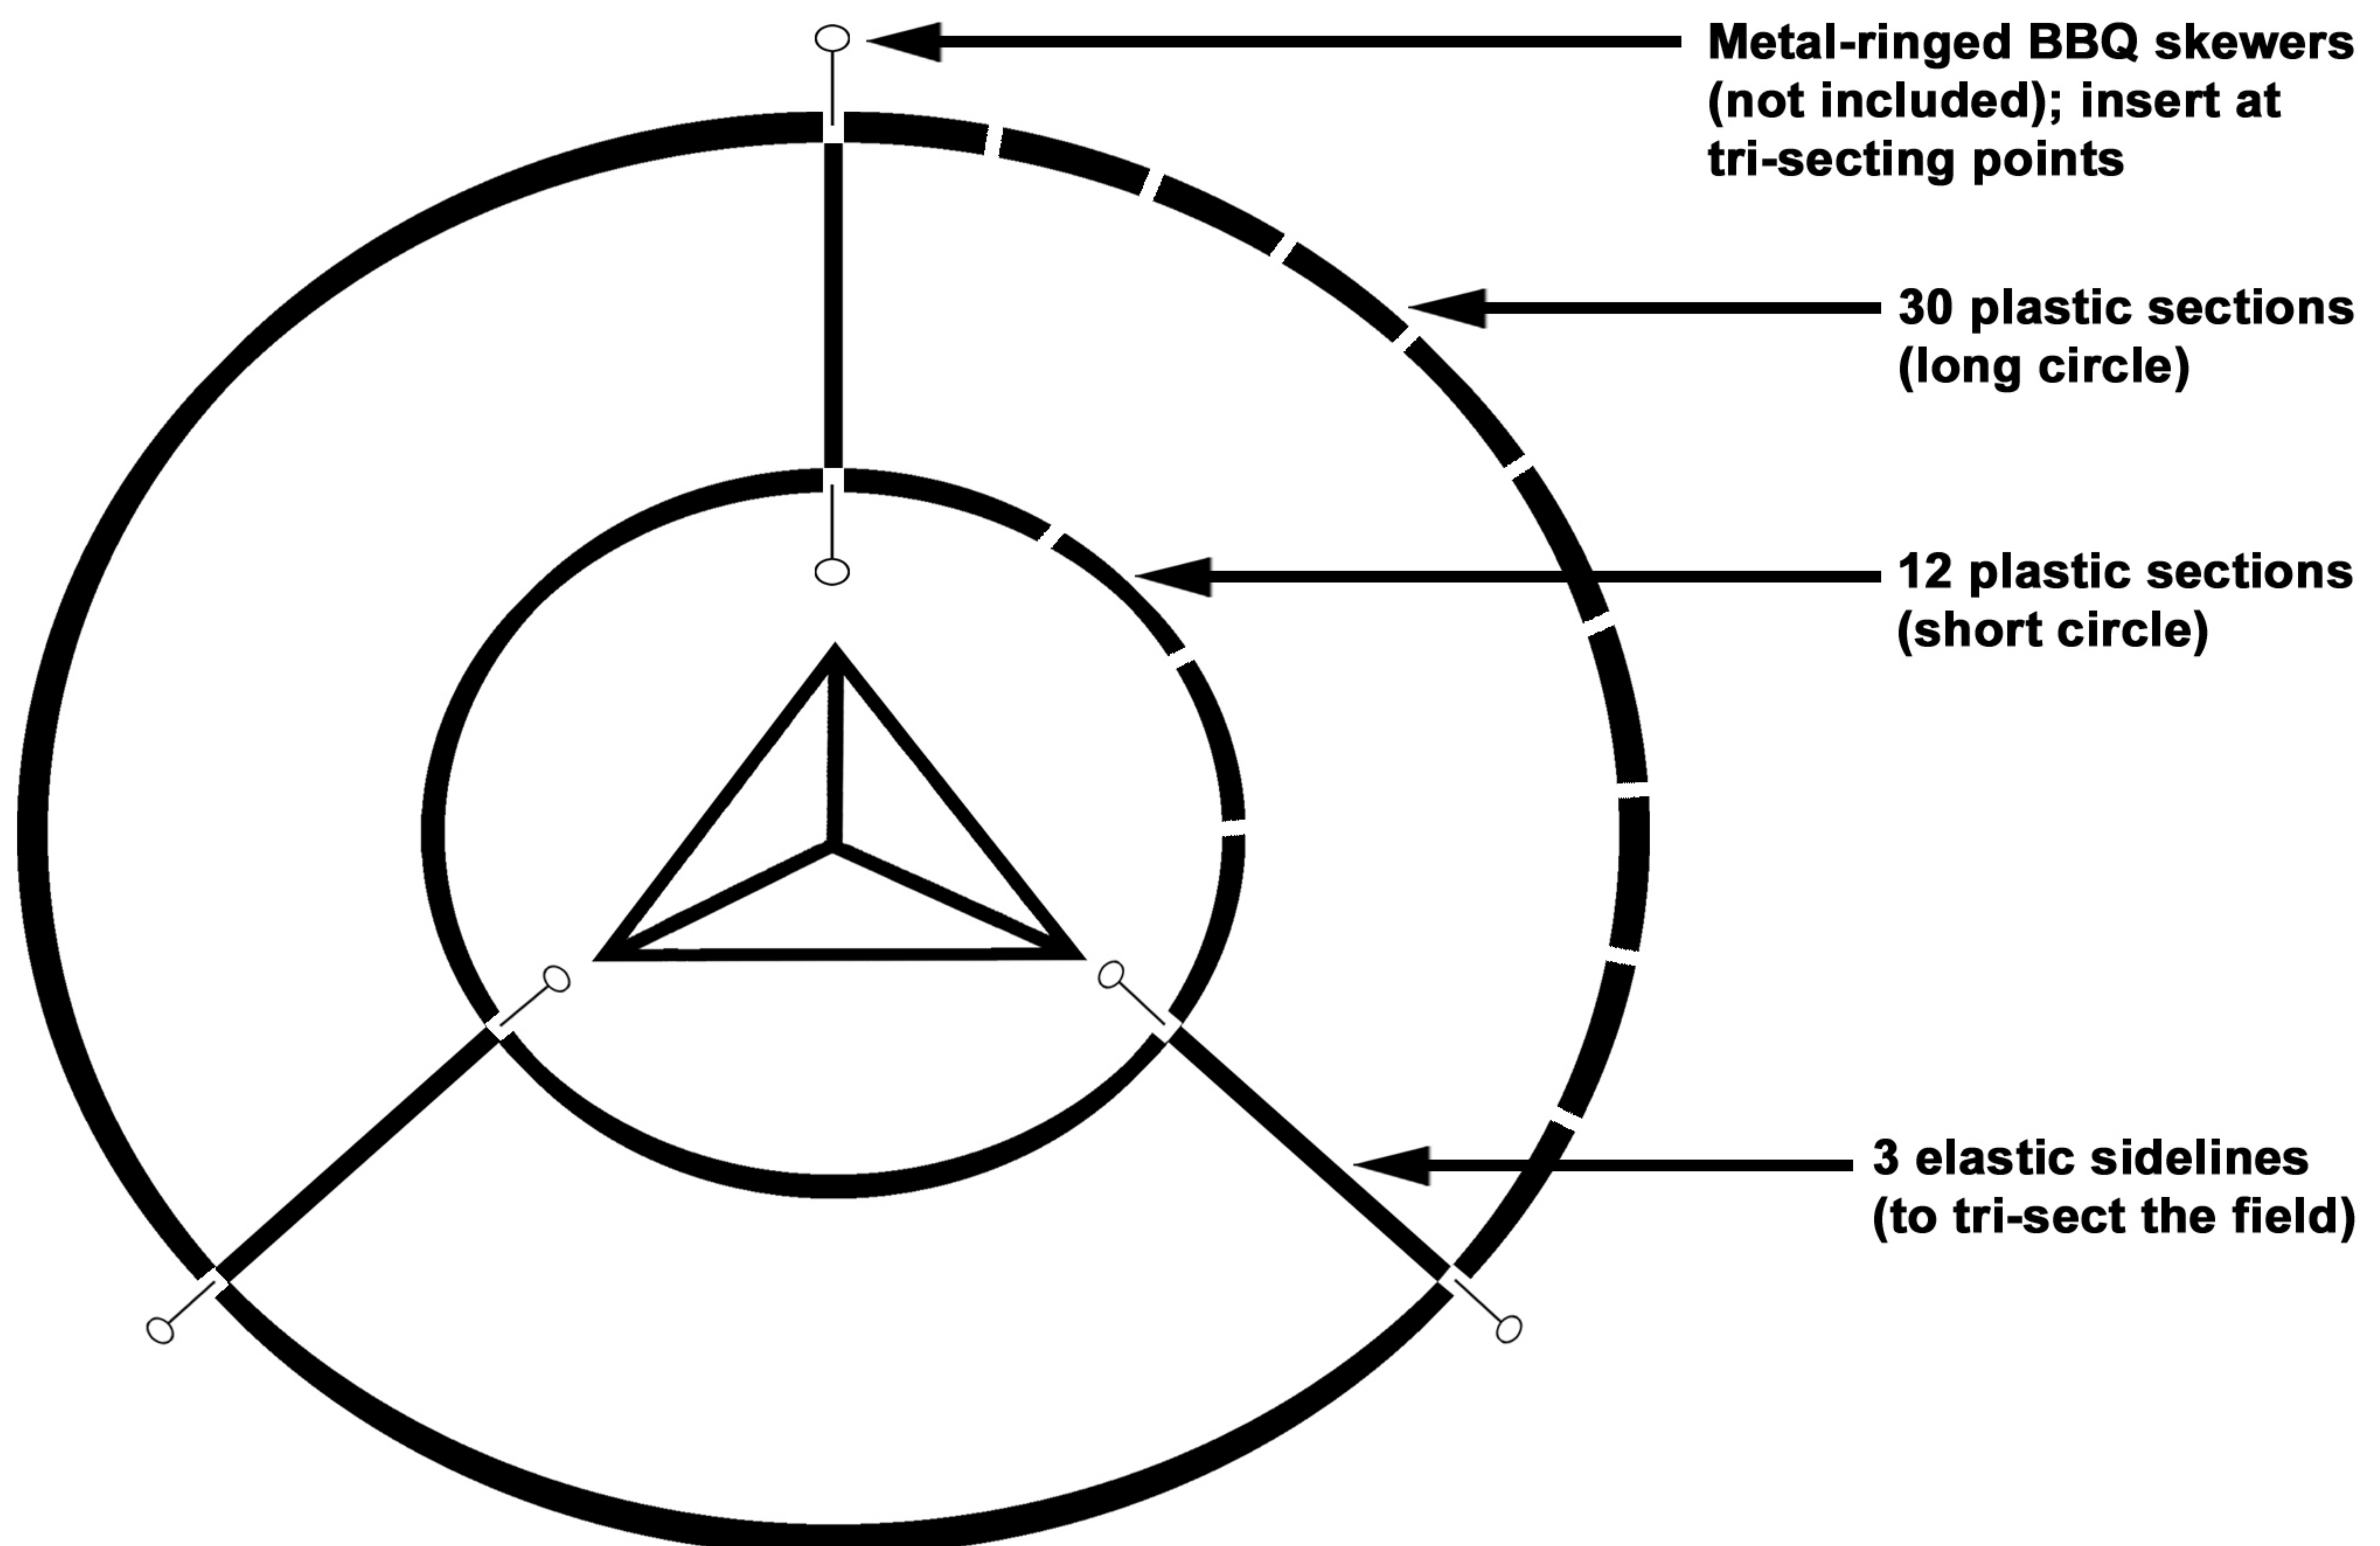

The court (42 plastic tubes and 3 elastic sidelines)

6 (Trangle) balls

3 hi-bounce rubber balls

**Please Note:
Ringed skewers
are not included**

- **Set Trangle (in middle).**
- **Create the short circle by connecting 12 tubes.**
- **Create the long circle by connecting 30 tubes.**
- **Insert the ringed skewers (not included) by disconnecting the tubes at the tri-secting points. Re-attach the tubes.**
- **Tie the elastic sidelines to the stakes (all 6).**
- **Make sure the Trangle is placed in the center of the field with each of its corner points determining the sidelines.**

IMPORTANT: The Trangleball structure is strictly for rebounding rubber balls. Do not climb, sit, or apply unnecessary weight to the Trangleball structure.
